

At **Tagvenue**, an online marketplace, we are a team of energetic, self-driven and positive individuals. We're building the world's largest and most innovative venue-booking platform. We launched in mid-2015, and within a short period, we achieved a market leader position in the UK, Australia, Singapore, Canada and we're expanding fast in the US. If you join us, you will get the unique opportunity to work in a startup team where the sky is truly the limit. We value all opinions equally and all ideas brought to the table have a chance of being implemented into the process. We dedicate ourselves to achieving a common goal - presenting our customers with the best catalog of venues in the whole industry.

Kickstart your career with **Tagvenue!**

- Gain real-life experience in a company present on 6 international markets
- Work in a fully English-speaking environment
- Learn more about different business activities - customer service, sales, account management, user experience
- Cooperate with other ambitious young professionals in an exciting startup environment
- Work with an experienced mentor to develop essential business skills
- Enjoy the ride - we work hard but we know how to have fun in the process :) If you are based in Kraków, you'll definitely enjoy our Office Thursdays or Beer Fridays. Plus, as a part of the events industry, we are all about parties! We work, we achieve our goals, and we don't forget about celebrating our successes
- Experience our unique company culture - we're creating a place where learning never stops, impactful things are getting done, and you're empowered to take ownership of your own work

About you:

- You are a student
- You are a constant learner with big career ambitions
- You feel comfortable communicating in English
- You're interested in developing your skills in one of the areas that we offer
- You are available at least 20h/week

Practical details:

- The internship is paid - we offer umowa zlecenie, **27,70 pln/h gross**
- The internship lasts **6 months**. If it's a match, we are happy to prolong the cooperation after that period
- You'll start the internship with training and continue to work with an **experienced mentor** who will guide you throughout your experience
- We will provide you with **books** that will contribute to your further development
- We are **flexible** when it comes to your working hours - you won't have any issues adjusting it to your uni schedule
- You have a choice of working 100% remotely or from our office in the heart of Kraków
- Absolutely no dress code :)
